Homework: Students are expected to read each night. Allow them to read to you by creating their own story, using pictures, and finding words they learn weekly.

Information: Most information will be sent home each Thursday in the "Thursday Folder". This folder should be signed and returned the next day. If you choose, you can sign up for electronic communications and everything that is sent will be in electronic form from the office staff.

Occasionally, I may need to communicate on a particular day in which I will send the folder home with a note or whatever it may pertain to.

Mrs. Haines is in her fourth year of teaching. She is excited to teach Kindergarten for her third year at John Kerr Elementary school. Mrs. Haines enjoys listening to music, science and math exploration, and being outside.
