Caring Cardinals

At JKES we have three simple rules: Be respectful, be responsible, be safe. Each day we think about how being respectful, responsible and safe looks in action: in the classroom, in the cafeteria, on the playground and in the hallways. Everyday we put a focus on how each of us can grow our self-control and make the kind of choices that make learning enjoyable and effective for ourselves and those around us. How can you help?

- Ask your child how they were respectful, responsible or safe at school today.
- Remind them each day that they have the power to choose to make this a great day at JKES!
