Our Learning

Reading: decoding strategies, setting a purpose for reading, previewing a book, story elements, and making predictions

Math: number sense, ordinal positions, finding one or two more and one or two less than a number

Science: seasons, precipitation, human and animal changes during different seasons

History: U.S. Symbols and Holidays

Writing: All about me (personal narratives)

Reminders

Specials Change: Our specials schedule has changed! We will now have STEAM, Library, and Art (in that order). Students will get two 25 minutes sessions of gym a week since it is not in our rotation.

• • • • •
Rainbow Words: Your child should have a list of sight words in their red home folder. Once the student can read the list 3 times with no mistakes, they will move up a color. Please practice at home!

• • • • •
Field Trip: First grade will visit Marker Miller Orchards on Oct. 26. Please return the permission slip!

At-Home Practice

Practice Sight words: ● Counting: Ask your research shows ● child to count to 30 or reading levels ● 50. They could skip drastically improve. ● count by 10s or 5s.

● Read with your child ● nightly. If you need ● resources, please feel ● free to ask for help.
